

Lee Middle School Media Center

The media center is a place to work, study, read, and collaborate.

Visiting the Media Center

All students must present a pass from their teacher upon entering the media center.

Checkout Policies

Students with a library account in good standing may check out up to 3 items (Books and/or magazines) at a time for 3 weeks.

All items may be renewed, unless they are on hold for another student.

If an item is returned in an unusable condition or lost, the student will be charged the replacement cost.

All borrowed library books, magazines, equipment and textbooks should be returned in good condition to the media center by the due date to avoid charges.

Resources

Access your library account, resources, announcements, and search for books by visiting the Media Center website: destiny.ocps.net (Click on Lee Middle School). Log in with your Student ID (username) and Date of Birth YYYYMMDD (Password).

Earn points and get rewarded for the books you read by taking *Reading Counts!* quizzes on any computer on campus. Redeem your points at the end each nine weeks in the media center and listen for announcements for opportunities to win great prizes!

Read some of the thousands of digital books available to Lee Middle School students through *myOn Reader*. Access anywhere with an internet connection by visiting: www.myon.com and log in with your Student ID (username) and Date of Birth YYYYMMDD (Password).

Participate in some of the programs (Battle of the Books Team, Nook Book Club) and events (Fall and Spring Book Fairs, Library Card Sign Up Month, Trivia Contests, Reading Profiles) held in the media center throughout the school year!
